Sponsorship 2023-2024 Season

Dear Prospective Sponsor:

The Western Valley Minor Hockey Association's hockey program offers the highest caliber of amateur hockey for our young players in the province. Our teams are comprised of players from Annapolis to Berwick. Everything to do with the operations of our teams is 100% self-supportive, from renting ice for games and practices to paying officiating fees, tournament entrance fees, plus deposits and even jersey replacements. In order to accomplish this the teams raise money by hosting tournaments, obtaining jersey sponsors, 50/50 draws and various other fundraising activities. Each year, depending on tournaments and other hockey activities, the WVMHA team's budget can each be up to \$20,000. This often does not include the cost of travel, lodging, meals, or equipment.

You are asked to consider being a Player Sponsor of the youth presenting you with this letter. For \$200 your business name will be advertised and be displayed. This is a wonderful opportunity to support the youth in your region in recreational sport. In doing so, you also advertise your business and generously support of our community. Without this support many of our players would not be able to play and develop at this level.

On behalf of the players and teams of WVMHA, I thank you for your generosity and support. Please make cheque made payable to Western Valley Minor Hockey Association or WVMHA
